

## Letter to parents/carers

*Dear Parents and Carers*

*Our school thinks that your child is of great importance and we believe that to be able to learn they need to be happy, confident, understand themselves, understand their feelings and know how to get on with each other and make friends.*

*To help all our children with this we will be working in school on special activities that develop these skills.*

*Each half-term we will be looking at a particular theme. The theme will start with an assembly and be followed up in class. We hope you will be able to join us in school for some of these assemblies and some of the work in classrooms.*

*The theme for this half-term will be New beginnings. During the term the children will be exploring how to create a learning environment that helps the children learn together in a happy, busy and safe way. They will also learn about the feelings they have when they are happy, sad, scared and excited, and how to manage these feelings in the classroom.*

*Over the year we will introduce activities to do at home. Some of these will be best done together with an adult. We hope you will enjoy doing these with your child.*

*We will be happy to talk about this with you if you would like to.*

*With best wishes,*

*Class teacher or headteacher*

## New beginnings 1

What did you do?

Think of the best thing that happened to you each day this week. If you like you can draw a picture or write about it in the box.

	Child's day	Parent/carer
Monday	The best thing that happened to me today was	The best thing that happened to me today was
Tuesday	The best thing that happened to me today was	The best thing that happened to me today was
Wednesday	The best thing that happened to me today was	The best thing that happened to me today was
Thursday	The best thing that happened to me today was	The best thing that happened to me today was

	<b>Child's day</b>	<b>Parent/carer</b>
<b>Friday</b>	The best thing that happened to me today was	The best thing that happened to me today was
<b>Saturday</b>	The best thing that happened to me today was	The best thing that happened to me today was
<b>Sunday</b>	The best thing that happened to me today was	The best thing that happened to me today was

You might like to decorate a box together (a shoe box, for example) to make a treasure chest. You could then collect little things (for example, tickets, photographs, pictures) to remind you of some of the best things that have happened to you over the year.

## New beginnings 2

Use the board game that is attached.

### *The rules of the game*

Take it in turns to play by spinning the spinner or throwing the dice and moving your counter round the board.

If you land on a smiley face you must say something good that happened to you today or say something nice about someone playing the game.

If you land on a star you must pick up a question card. You can answer the question, give the card to someone else or put it at the bottom of the pile.

If you are given a question card you must wait your turn and then you can answer the question or put it at the bottom of the pile.

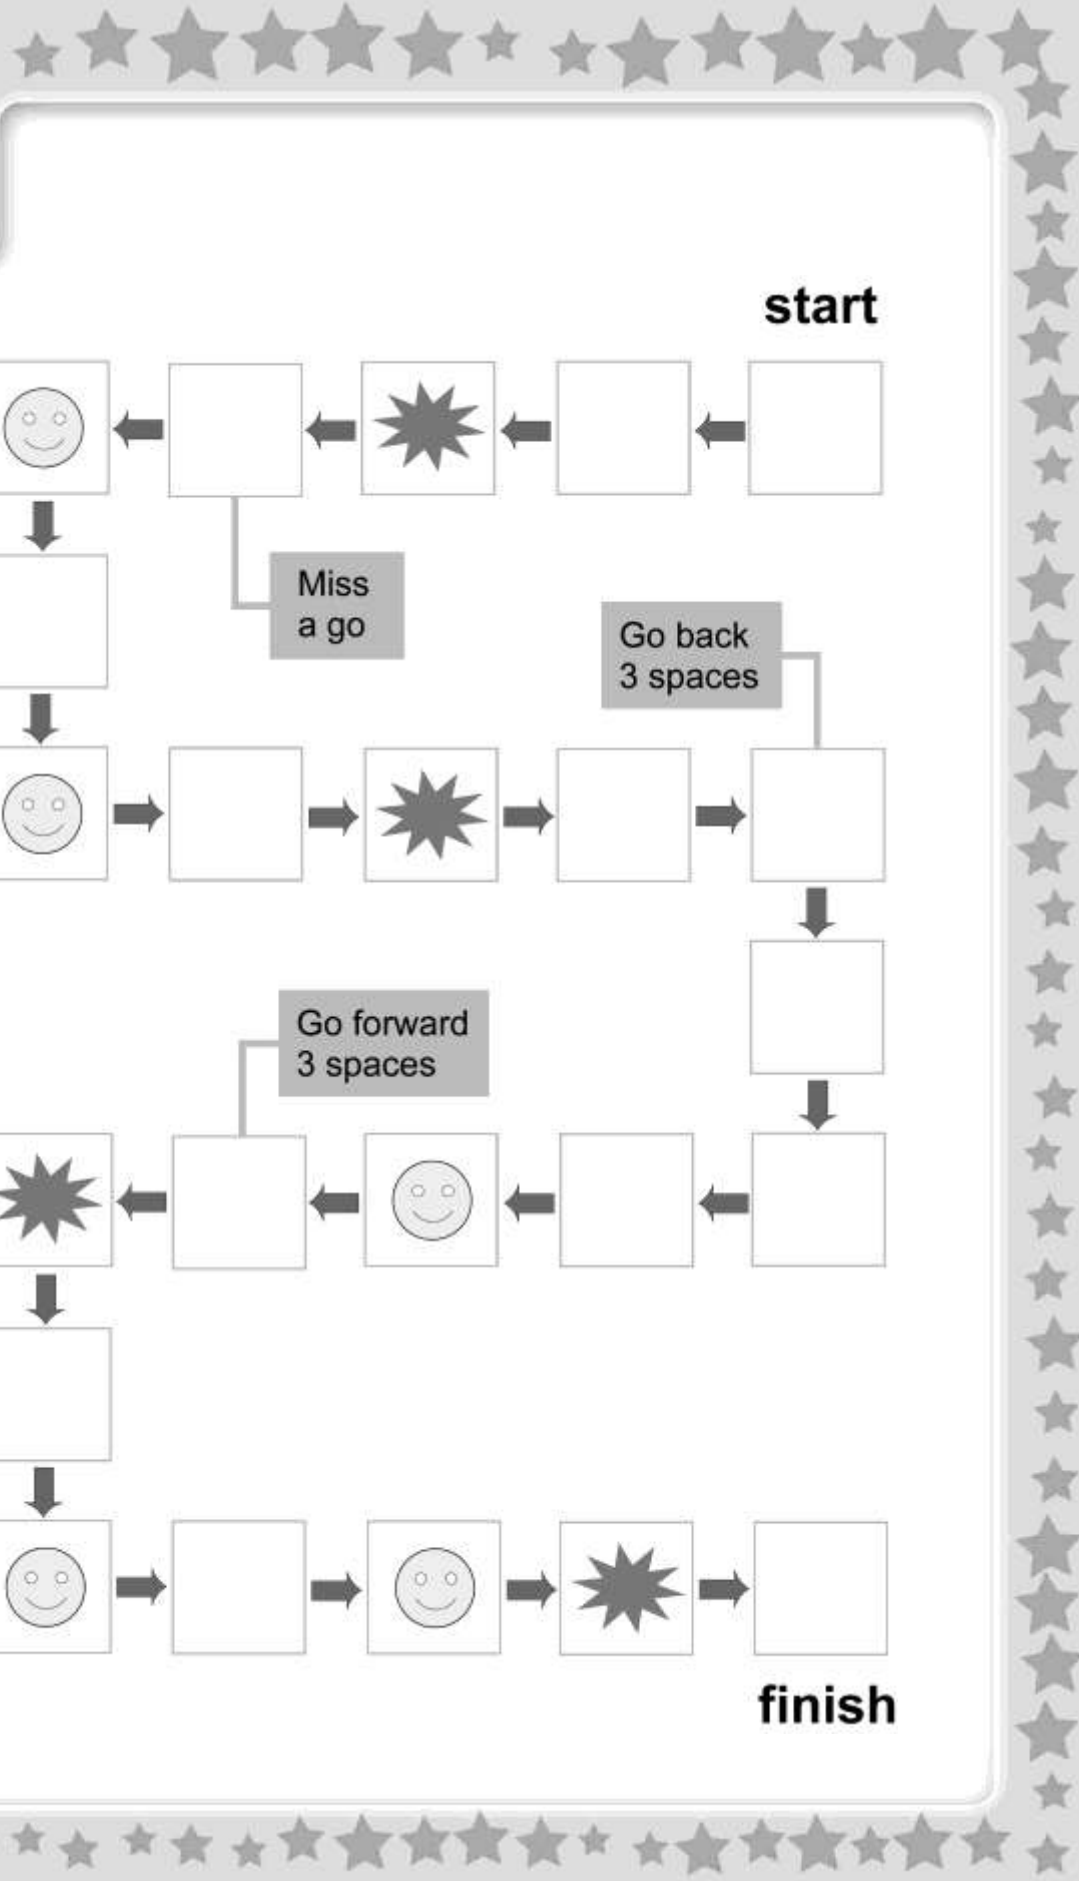

You could write your own questions on some blank cards.

**You can only speak when it is your go.**

Cut out the counters, question cards and the spinner.  
Make the spinner with a matchstick or pencil.

Tell us three things about your school.	Name three school friends.	What do you do if you are feeling scared about starting something new?
What is the best place to go when you are feeling scared?	What place don't you like at school? Why?	Have you been happy this week? Why?
Where would you like to visit?	Name three different things that you do at school (or did).	How old were you when you first walked?
Have you got any goals or targets?	Name one of your gifts or talents (something that you are better at than anything else).	What things can the people playing the game do to make you happy?
What is the best thing that happened to you this week?	What do you like doing with other members of the family?	What would you like to do differently this year?

Help with the cooking.

Wash up or tidy up.

### A charter

In our class we have worked out a class charter. We think that these things will help our class to have an excellent year. It is up on the wall in our classroom.

- What do you think of our charter?
- Can you think of anything that you might like to add?
- What would there be in a charter for home?

Why don't your family decide on a charter for your home, if everyone agrees?

You might write or draw your ideas here:

**Home charter for the ..... family**

We would like our home to be:

So we promise to:

### **Making people feel welcome**

Do you ever have people come to see you? At school we have been talking about how to make people feel welcome. Talk together about some of the people who visit you.

Are there any ways you make people feel welcome to your home?

You might like to draw some pictures to show some of your visitors and how you make them feel welcome.

## **New beginnings 10**

### **My new beginning**

Stick or draw a picture of me as a baby here.

### **Our family flag**

Everyone has an interest or a gift or talent. What are the interests, gifts and talents of the people in your family? Make a flag so that there is something special on it to show a bit about all the people in the family.

## **New beginnings 12**
