

Sport Premium - academic year 2106 -2017

At The Queen's School we believe it is every child's right to receive high quality learning and teaching in all aspects of their curriculum, this must include physical education. Children have a right to be challenged in PE as in any other area of the curriculum. Therefore, The Queen's school believes that physical education, experienced in a safe and supportive environment, is a unique and vital contributor to a pupil's physical, intellectual and social development. A broad and balanced physical education curriculum contributes significantly to the wider educational growth of the whole child; developing physical skills, providing opportunities for social interaction, cooperation, competition and challenge.

The Queen's School Vision

- Every child receives two hours per week of high quality learning and teaching in physical education.
- Children are encouraged to be physically active for sustained periods of time both in PE lessons and within their playtimes.
- Children are inspired by PE lessons/clubs, enjoy being physically active and leave our school with the motivation, the physical confidence, competence and knowledge and understanding for lifelong participation in physical activity.
- Children understand the benefits of a healthy lifestyle, how it affects their well-being and how it supports their health and fitness.
- Opportunities are made for more children to be involved in competitive sport and a wide range of other physical activities which help to embed the values of fairness and respect.

We have welcomed the Government's announcement in June 2013 to provide additional funding to improve provision for physical education (PE and sport) in primary schools. We are committed to using this resource to develop high quality PE lessons, alongside developing greater opportunities for sporting competitions and activities for all our pupils in order to achieve our vision for sport and PE at The Queen's School.

Sport Premium grant

Funding for schools is calculated by the number of primary aged pupils recorded at the annual census in Jan 2016. All schools with 17 or more pupils receive a lump sum of £8,000, plus a premium of £5.00 per pupil.

Total number of primary aged pupils (aged 5 – 11) Jan 2016	341 eligible pupils.
Total amount of Sport Premium Grant received 2015 - 2016	£9,705.00
Total Sport premium expenditure (committed to date)	£ 9,702.00
Total unspent Sport premium (to date)	£ 3

Updated Sept 2017

What the Sport Premium Grant means for The Queen’s School

At Queen’s School we carried out a self-review, which helped us identify the key areas for development and spending of the Sport Premium. In this academic year our priorities are:

- To continue to support the development of our teachers to ensure the teaching of curriculum PE is consistently of high quality across the whole school
- To offer more children the opportunity to represent the school in competitive sport
- To develop girls’ football in KS2
- To continue to develop and encourage an enjoyment of sport through active playtimes, specialised sports coaches and expansion of extra-curricular sporting opportunities.

This is a record of spending so far in the academic year 2016 -2017:

Item /project	Cost	Objective	Impact/outcome
