

The Queen's C of E Primary School
Medium Term Planning

English

Flat Stanley project – writing letters to help us find out about places around the world
Formal and informal letter writing
Letters to favourite authors

Cross-Curricular Links:

Locating places & finding out about other countries

Humanities

Early Britain & the Stone Age

Cross-Curricular Links:

**Map link with Flat Stanley
Dance**

Languages

**French
About me**

Cross-Curricular Links:

Physical Education

**Dance
Invasion Games**

Cross-Curricular Links:

Stone Age

Mathematics

Multiplication Tables (3x, 4x, 6x)
Rounding to 10 and 100
Number bonds to 100
Multiply & divide by 10
Problem solving and sequences
3D shapes
Symmetry
Reading scales & weight

Cross-Curricular Links:

**Co-ordinators & direction
Symmetry (art & patterns)**

**Religious Education
Hinduism**

Cross-Curricular Links:

**Art
Music**

Learning Certainty:

**Independence
Creativity**

Exploring the Wider World

**Year 3
Autumn Term 1**

**Visits/Visitors:
Hindu Temple**

**Design and Technology
N/A**

Cross-Curricular Links:

Computing

Simulations – exploring how they work and why they are widely used today.

Cross-Curricular Links:

Science

Earth's movement and the associated changes in shadows.
Experimental and investigative work: making and recording measurements and observations, drawing conclusions suggesting explanations for observations and conclusions.
Explain shadows using scientific knowledge.
Recognise the hazards and risks in looking at the sun.

Cross-Curricular Links:

**Maths patterns & symmetry
Art - patterns**

Art and Design

Investigating Patterns

Develop designs and investigate stencilling and print-making techniques, using shape, colour and pattern to make a decorative textile piece.

Cross-Curricular Links:

Different times and cultures

**Citizenship
New Beginnings
SEAL**

Cross-Curricular Links:

Music

**Listen & rehearse sounds
Harvest songs**

'B' Orchestra
