

ICT: Keyboard Skills

Graphics and texts – word processing and desktop publishing. Creating and amending documents on the computer. Producing items for publication to promote the local area.

Music:

to create, combine and perform rhythmic and melodic material as part of a class performance of a song.

Recorders & Orchestra

Topic: Investigating our local area, Kew Village, past and present

Use maps to see how the local area has changed.

Research and explore reasons for this interviewing local people and using secondary sources to answer questions.

Literacy:

Information Texts

Recipes/ food

Healthy eating posters

Language on packaging

Myths, legends, fables and traditional tales

Year 3

Summer term 1

DT, Art & Design

Packaging – designing a package for a healthy sandwich and lunch box

Sandwich Snacks – planning and making a fun, healthy sandwich

Games /PE:

PE – Tennis – at Pensford Club

Games – Athletics, introducing a range of field and track athletic activities.

Science: Teeth & eating

Sort foods into broad food groups.

Learn that animals, including humans, need to feed to grow and to be active and that we need an adequate and varied diet to keep us healthy.

Learn that animals have different diets and can be categorised according to their diets and by their teeth.

Types of teeth and their uses, how they develop and change and how we care for them.

Understand that certain foods can be damaging to our teeth.

Plan for a fair test and make an informed prediction.

Maths:

Counting & properties of numbers

Addition & subtraction

Multiplication & division

Fractions

Data handling

2D and 3D shapes

Times tables

PSHE:

Good to be me

Drug education – how medicines can help us
